P R E F A C E .

The following is a List of all the Plea Rolls preserved in the Public Record Office, with the exception of Pleas of the Forest, which will be included in a future List of Forest Proceedings.

As some uncertainty exists with regard to the exact date of the separation of the Courts of King's Bench and Common Pleas, the Rolls prior to the reign of Edward I. have been described, according to precedent, as Rolls of the Curia Regis.

Under the general title of " Eyre Rolls, Assize Rolls, &c." are included :—

(1.) Rolls of Justices Itinerant, which generally comprise " Placita de Juratis et Assisis," " Placita Coronæ," and " Placita de Quo Warranto," and in some cases " Placita de Querelis," and " Deliberationes Gaolarum." It was customary to make several copies of these rolls, one for the King, marked " Rex," and others for the different justices engaged.

(2.) Rolls of Justices of Assize, who, by the statute 27 Edward I., were empowered to act also as Justices of Gaol Delivery.

(3.) Rolls of Justices of Oyer and Terminer.

(4.) A few original commissions to take special assize of Novel Disseisin, &c., with the proceedings thereon, and Inquisitions and Presentments of juries and other documents subsidiary to the Eyre Rolls and Assize Rolls.

[a] → (5) A small collection of Plea Rolls, formerly preserved in the Tower of London, and known as "Tower Assize Rolls" or "Tower Coram Rege Rolls," has been incorporated, some being added to the class of Rolls of the Curia Regis, and the remainder to the class of Eyre Rolls and Assize Rolls.

This List was prepared in 1894 by Mr. S. R. Scargill Bird, an Assistant Keeper of the Records, with the assistance of Mr. H. Rodney, and the Rolls were re-numbered under his direction, in such a way as to simplify the references necessary for their production in the Search Room.

A new edition has been rendered necessary by the subsequent transfer of a great number of additional Plea Rolls from the Royal Courts of Justice.

The opportunity has been taken of revising the earlier portion of the list and inserting a number of rolls and portions of rolls hitherto unidentified, and correcting the dates of others.

It has also been found desirable to give a consecutive numeration to all the Plea Rolls of the Court of Common Pleas, which were formerly sub-divided into Placita de Banco and Common Rolls.

The revision of the List has been carried out under the superintendence of Mr. E. Salisbury, B.A.

10th May, 1910.

H. C. MAXWELL LYTE.

Where the roll for a particular term is marked as 'missing,' this may mean that in fact no pleas were held in that term, as happened several times (especially in the 14th. century.) because of pestilence. The writ of adjournment is sometimes entered on the Close Rolls.

- [a] Membranes 15-20 of this roll, as copied by Agarde (Vol.21) are now membranes 1 to 6 of Assize Rolls. 1196.
- [b] 866 comprises Civil Pleas (not Foreign Pleas) and was formerly ms.6-9 of the Civil Plea Roll of which 864 comprises ms 1-5 and 10-12 . The heading of 866 is in a 16th or 17th century hand and was apparently added after these membranes had come away from the rest. Pleas from Counties other than Surrey exist in both 864 and 866 . 865 was formerly ms.13-19 of the original roll.
